## Free School Meals

Have your financial circumstances changed recently? Are you entitled to claim for support for your child such as Free School Meals and School trips.

Many parents are not claiming for the benefits their children are now entitled to through a change in working/ home circumstances. We have found this is either due to lack of knowledge about the support available or not wanting to be seen applying for these benefits and your child being identified.

At The Priory School this is not a problem. We have one smart card and this does not identify how the money is added or where the money comes from. All students go through together and at no time will your child be treated differently.

In order to register, you simply register with Herts County Council using the web link: [www.hertsdirect.org/services/edlearn/canhel](http://www.hertsdirect.org/services/edlearn/canhel) Alternatively you can phone 0300 123 4048. The application process itself takes about 10mins.

**You are eligible to apply if any of the following apply to you:**

- **Income Support or Income-based Jobseeker's Allowance**
- **Income-related Employment and Support Allowance**
- **Child Tax Credit, with a taxable income no more than £16,190 and not in receipt of Working Tax Credit**
- **Working Tax Credit during the four-week period immediately after employment finishes or after you start to work less than 16 hours per week**

Financial support for school trips is available from the finance department at the school. Please contact 01462622300 ext 212.

## Building Works at the School

**Over the Easter break we will be commencing two major projects at the school:**

**Café expansion – to increase the size of the Café by over 50%. This project will be completed by the end of the summer and will support additional students and decrease waiting times.**

**Science block refurbishment – complete replacement of the exterior, window repair and the installation of climate control units. This will complete the overhaul of the block and make it far better for students' learning during the year.**

**U13 Girls' County Cup:**

The Priory Girls marched their way into the semi-finals with a tough 4-1 win against Mount Grace School in Potters Bar. The opposition started off really strongly going 1-0 up by an amazing individual who lifted the ball over Chloe's head into the back of the net. Even though we were 1-0 down we didn't let it get to us, with our heads sailing high we soon responded by two excellent goals by Emily. At half time we came off the pitch knowing that it was still anyone's game, but with good encouragement from our teachers we went back on the extremely boggy and sludgy pitch and got ready for the second half. We were struggling for chances but all of a sudden a defensive error from the opposition enabled Amy to tap the ball in the net. Not long after, a goal keeper error gave us an indirect free kick of which again gave Amy a tap into the back of the net to secure our 4-1 win which put us through to the semi-finals. Well done girls: Chloe Keller, Katie Harrison-Webb, Ellen Francis, Ellie Nellis, Eden Richards, Beth Jordan, Sophia Crawley, Molly Norman, Amy Gooderham, Hannah Deacon, Rachel Parry, Chloe Grimshaw, Maddie Hartwell, Courtney Edwards.
