Educating Students for Success in Life

Attendance to school in Term One of the 2017/2018 academic year was very good — 95.3% — but we can always do better. The impact of good attendance on your child's progress in their education is well documented. Poor attendance not only results in missed learning, but also missed opportunities, information and social time at school.

We of course appreciate that there are often valid reasons for missing school, but if there are times when you are considering keeping your child at home for minor illnesses, please do your best to get them out of bed and into the classroom. We are happy to monitor the health of those feeling 'under the weather' during the school day and will contact home if things deteriorate, but your child's baseline expectation should be that they are here every day.

The school target for every child is 96% attendance as a minimum. Even a slip to 92% (which might sound like a decent level of attendance) equates to a whole term of missed school over the course of secondary school.

These lessons in attendance and resilience to minor illnesses also stand your child in good stead for future careers.

Thank you for your support with this.

SOCIAL MEDIA DANGERS

Do you take enough notice of what your child is doing online?

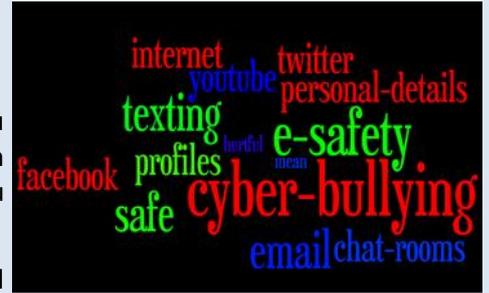

There is a good chance many of your children are more proficient than you on certain devices and apps, and this opens up the possibility of them accessing material that you might not want them to and without you knowing.

In school we are sometimes privy to conversations, chats, photos and messages that are sent between students. Whilst most online content shared between children is innocent, some it is absolutely not.

Last week and this, all year groups have had assembly and form time work on e-safety and the dangers of posting inappropriate material. They have also had reminders of the illegal nature of lots of these things.

Please help your child to stay safe and do not assume that it will always be other people's children involved in these things, and not yours.

Mr Foster, Assistant Headteacher

LOST PROPERTY

Once again, we have an enormous pile of bags, PE kits, coats, shoes and uniform which has found its way to Lost Property. The value of this unclaimed pile reaches many hundreds of pounds every term. In school, we spend time asking students to write their names inside everything they own. Where names are written in, there is a good chance things get returned to their rightful owner. Can we please

ask that you take some time at home to name all of your child's property. Stamps, labels and stickers are available online, but simply a biro or permanent pen on a clothing label will often do.

If your child loses something, they should come to the pastoral base to look in the lost property cupboard for it.

The current pile of lost property will on display for 1 week from **Monday 5th February** for students to reclaim what is theirs. Parents are also welcome to come in to claim any lost property. Anything left after this period will be donated to clothes banks.

UNIVERSITY OF HERTFORDSHIRE PATHFINDER DAY

The Priory School took 50 Year 9 students to the University of Hertfordshire this week.

The students were given a tour of the campus and heard talks about different aspects of university life, including finances, lectures and living away from home. In the afternoon they were involved in a competition where they had to do a presentation about why you should go to university.

The students had a great day and their eyes were opened to what being at university is really like.

APOCALYPSE MEOW

Over Christmas I performed at The Sam Wannamaker Theatre at Shakespeare's Globe in London in a show called Apocalypse Meow – Crisis is Born.

Meow Meow has performed all over the world and some of the cast have been in shows like Matilda and Chicago in the West End. It was a small cast of four plus the musicians, so I was very pleased to get the part! It was a very funny show and I sang and acted with my partner and had three costume changes too. It was a fantastic experience!

I really enjoy singing and acting and I loved being part of the show and learnt so much about how they put it all together.

The whole experience of performing in such an amazing venue was wonderful and I was really proud to take part in it.

SPELLING & TABLES BEE RESULTS

Congratulations to this the winners of this year's Spelling and Tables Bee competitions. After a week of qualifying rounds, 24 students took part in the finals today, in front of 250 watching spectators. Spelling as many words correctly or mastering as many of the tables up to 12x12 as possible was the aim of the game and the winners were as follows:

KS3 Spelling – Elise Budd 8CA

KS3 Tables – Aryan Sharma 9NS

KS4 Spelling – Tom Bannister 10AA

KS4 Tables – Meg Stephenson 13YW

We also welcomed some of our local primaries who brought winners of their own competitions to compete against each other in the Primary Spelling Bee Final. Huge congratulations to our winner, Annie Ironmonger, from William Ransom school.

Thank you to all students who took part this week – you were very brave and amazed us with your knowledge and speed!

Thank You for Supporting the Hitchin Christmas Community Team Hamper Appeal 2017

We provided 114 Hampers which helped over 370 people - thank you for all your generous donations and support.

With your support The Christmas Community Team was able to provide Christmas Food Hampers to individuals and families living in Hitchin and the local area.

Christmas can be a hard time of year for a number of reasons; low income, unemployment, bereavement, mental ill health and loneliness.

The Christmas Hamper is a small gesture providing some essentials over the Christmas period and shows a community that cares.

The Christmas Community Team: Hitchin Partnership (Family Support Services), Hitchin Christian Centre, Rotary Club of Hitchin Tilehouse, Hitchin Round Table, Hitchin Volunteer Army, The Salvation Army and The Foodbank Hitchin.

Serving Letchworth, Hitchin & Baldock

18 December 2017

Dear Staff & Pupils of the Priory School, Hitchin,

Recently you were kind enough to visit the local Supermarkets to purchase food for our Trussell Trust Warehouse and Distribution centres. You also organised a collection of money to help us fund our costs, which include rental of our Warehouse, and the costs of heating, lighting etc. at our Distribution Centres, and of course purchasing food. We (myself & our Driver, Peter Trussell) came to collect the food and financial donation on Friday 15th December. I counted the bags of food, as we filled his Ford Transit van. There were 35 bags! The Cheque which Mrs Emler gave us was for £1,357-10!! When I left the School, I went to our Hitchin Distribution Centre to show this to our volunteers. Charmaine Ball (the Manager of the Hitchin Distribution Centre) was overjoyed. I think that this was historically the most generous single donation of food and money from any donor organisation (School or Church) !! It beat your previous record of £1,000 and 22 boxes of food from last year. Special thanks to Year 8 who were given £60 to help raise money for our charity and by various enterprises turned it into £400 ! Very well done!

We would like to thank everyone in the Priory School for such a generous donation to the Foodbank. Our unique red voucher system ensures that only deserving people, who are having real difficulty in putting food on the table, receive our (and indirectly- your) help. If we did not have people like yourselves making financial donations & contributing food, then there is no doubt that our Charity would cease to exist, and desperate, needy people would go hungry.

Finally I would like to wish everyone in your School a very Merry Christmas and a Happy new Year. Your generous donations are much appreciated along with all the contributions from all Churches, Schools, Supermarkets and individuals. Please share/display this letter so that the whole of your School can see it.

God Bless

Keith Catchpole

12TH HITCHIN BEAVERS – ASSISTANT BEAVER LEADER REQUIRED

We are currently looking for an Assistant Leader to help run our Beaver Group.

We urgently need someone to help our Beaver Leader at the Monday night sessions. We meet at St John's Community Centre, Hitchin, from 5.15pm to 6.30pm on during term time only.

It's easy to take part and we can make use of as much of your time as you are able to offer. No special skills or previous experience required just a desire to help out, and a little bit of time to give to the children and the group on a Monday evening.

Beavers are the lifeblood of the group and provide nearly all of our future cubs and scouts. The activities the children experience in Beavers teach them valuable skills, encourage them to challenge themselves and, most importantly, help them develop friendships and have a great time, but we rely on volunteers to achieve all of this.

If you think you can possibly help or know someone who might be interested then please contact Judy Lilly (07740 121769; judithlilly@tiscali.co.uk) or Vickie Hellyer (07551 947746; vlhellyer@gmail.com).
