Dear Parent / Carer

Year 9 British Standards Institute Inspiration Day – Tuesday 4th December

We are delighted to offer your child the opportunity to take part in the British Standards Institute Inspiration event at Kitemark House, Hemel Hempstead, on Tuesday 4th December 2018.

The event is run by SETPOINT Hertfordshire and STEM ambassadors from the British Standards Institute and it will introduce students to careers in the design and engineering industry. The day will have a focus on engineering and product testing in the laboratory. It will also consist of a tour of the different product testing areas and talks from apprentices and product testing engineers about their work.

Students will need to arrive in school at normal time and will require a packed lunch. They should go to registration and report to Mrs Emler in PE by 9.15am. We expect to return to school by 3.30pm. There is no cost for this activity as transport is via the school minibus. As students are representing their school, they are required to wear school uniform on the day.

Please complete and return the reply slip below directly to myself. If you have any further queries please do not hesitate to email me: david.hassett@priory.herts.sch.uk.

Yours faithfully

Mr D. Hassett
STEM Coordinator

✂.....

Please return this form to Mr Hassett

I give permission for my child Form to attend the British Standards Institute Inspiration Day at Kitemark House in Hemel Hempstead on Tuesday 4th December.
