Dear Parent / Carer

The £1 challenge – 10th to 11th January 2019

This week we launched the £1 challenge with the whole of Year 8. All students will receive a £1 coin on Monday 10th December, and from that pound they need to try and make as much money as possible.

During their careers lessons we have talked about different ways of using this pound to try and make a profit. Students are able to do activities inside and outside of school. We have talked about being safe while doing the challenge and not knocking on doors of strangers or putting personal information on any posters. Activities that are not permitted in school are the selling of fizzy drinks, including energy drinks, and the selling of home-made stress balls, slime or similar.

Students need to hand in any money that they have raised to the Finance Office by Friday 11th January. This needs to be in an envelope along with the names of the people in their group, the amount they have raised and their form. The money that the students raise is going to be split between two charities – Garden House Hospice and the Letchworth Foodbank.

If you have any questions regarding the challenge, please do not hesitate to contact me on sally.emler@priory.herts.sch.uk.

Kind regards

S Emler
