Educating Students for Success in Life

From all the staff at The Priory School, we wish you a happy summer holidays. We wish all the best to any school leavers too.

We will look forward to seeing students at the start of the Autumn term: Wednesday 4th September for the 6th form and Year 7; and Thursday 5th September for all other year groups. The teaching staff will be back in school on Monday 2nd September, so if you have any concerns about your child's return to TPS in the days following, please contact us then. If any student has any concerns or worries over the summer and wishes to speak to one of our school counsellors, they will be running a drop-in service on 1st and 22nd August – please let your child know about this.

Year 10s will be welcomed back with their new uniform of blazers and grey jumpers. If any families of Year 9 students have used uniform that is in good condition that they are happy to donate to school, it would be gratefully received. And as the new school year approaches in September, please remember to name your child's belongings so they can be returned if lost.

To the students – well done for all of your hard work this year and we hope you have taken the opportunities open to you at TPS. If not, think about how you can approach next year and what things you can get involved with that might enrich your experience here.

Happy holidays!

Mr Foster

REWARDS UPDATE

In September we will be launching some exciting changes to the reward system at the school. Students will continue to collect ePraise reward points to spend in the reward shop and buy school equipment and sports items for example. The reward shop will be situated in the middle of school and staffed by 6th formers so that students can 'spend' their points more easily. Students will start a new round of reward points next year and we have delivered the final purchases for this year. Due to a shortage of some items in our stock, there are some purchases we were not able to honour this year.

Heads of Year are also planning a fresh round of incentives and rewards focussing on effort, attendance and good behaviour among other things.

Congratulations to all award winners this year.

Dates for Your Diary

Wednesday 4th September

- Start of term for Year 7 & 6th Form

Thursday 5th September

- Start of term for Years 8, 9, 10 and 11
- Student photos (Years 7, 10 & 12)

w/c Monday 16th September

- Year 7 Raising Aspirations Week

Thursday 19th September

- 7-8.30pm Year 12 Welcome to 6th Form Evening

Friday 20th September

- Jenes for Genes Non-Uniform Day

Tuesday 24th September

- 8.30-8.50am Full SLC Meeting, Library

Wednesday 25th September

- DofE Parent Information Evening

- INSET Day; school closed

Tuesday 15th to Thursday 16th October

- Open Morning

Tuesday 15th October

- 6.30-7.30pm Parent Info Session 'The inner workings of the Teen Brain'

Teaching and Learning

FUNDRAISING NEWS

We are proud to announce that we are teaming up with Humanitas, a local Hitchin-based charity who are responsible for various humanitarian projects in developing parts of the world.

Humanitas began supporting access to education in Ghana in 2014, when their team successfully secured government funding to transport teachers to schools located on remote islands off the Ghanaian coast. In 2015 they identified that there was a chronic lack of education in rural communities in southern Ghana and sought to address this by creating a holistic education programme to enable children who, because of geography and poverty, were unable to access the state education system.

Over the next year, our aim is to move beyond fundraising and focus on building a cultural exchange between the children they support in Ghana and the children at The Priory School.

Humanitas launched a pilot education programme in the rural village of Ayensuako, where access to education was extremely limited. Today this project includes a pre-school, primary school, community library and water well so that students have access to clean drinking water. They are now teaching 230+ pupils aged 4 to 11 years and attendance at the pre-school and junior school has risen by over 40% in this academic year.

To complement these services, they would like to build and manage a High School for the pupils who are transitioning out of their junior education. On completion they will have successfully achieved their aim of providing a holistic education package in Ayensuako.

And this is where The Priory School will also be getting involved. More to come in the next academic year, but we feel this is a really exciting opportunity for everyone involved at The Priory School.

HUMANITAS (HU.MAN.IT.AS)

The Latin word 'humanitas' has many meanings but the main definition is humanity and kindness. The Roman concept of 'Humanitas' described the humane virtues that were expected from educated people.

FUNDRAISING NEWS CONT'D...

NON-UNIFORM DAY

On Friday 28th June we held our final Non-Uniform Day of this academic year and we are pleased to announce that we raised £752.

Students were able to vote on the charity they wanted the money to go towards and the winning vote was for Macmillan Cancer.

A massive thank you to staff and students who contributed to this fantastic cause.

CHANGES TO FUNDRAISING IN SCHOOL

We are making some changes to the way in which we organise and run fundraising events in school.

If students wish to run/organise a charity event, they need to come and see Mr Rainforth to get a form to fill in to have their event authorised. Alternatively students can email him to receive a form.

The rationale for this is:

- To standardise the charity process in school;
- To ensure that we do not have multiple events running at the same time; and
- To monitor more closely what events are being run across school.

This will include fundraising of any description, including raising money for World Challenge, prom or individual charities.

Teaching and Learning

COLOUR RUN

Hi, I'm Zac, and on the 26th of May, me and many of my fellow students participated in a colour run for FeedupWarmup, a charity that provides vital services for the homeless within the local area and across Hertfordshire. A couple of weeks prior to the run, myself and a few other students set up a JustGiving page, where we eventually raised just over £380, through a lot of social media promotion!

The run itself was a huge amount of fun; as you can see by the pictures there was quite a lot of us, including a mix of both staff and students, so the run was school-wide! All of us taking part had never done a colour run before, so we didn't quite know what to expect! Nonetheless, we all got very colourful and we felt fulfilled at the end of the event, as we knew that we had done our bit to contribute towards this fantastic charity and give help to those who need it the most.

All in all, it was a fantastic day for everyone involved, and we'll all be looking out for the next one!

Teaching and Learning

ENVIRONMENTAL AWARENESS AT TPS

As part of a strive to be more environmentally aware, sustainable and reduce our environmental impact, we are starting an eco-committee made up of staff and students.

We have now had a couple of meetings and have established a passionate group of individuals who are keen to instigate change around the school site in order to become more environmentally aware.

Phase 1 of achieving Eco-Award status is now in full swing having established the eco-committee. We are now moving onto Phase 2 which is to conduct an environmental review of the school. This will help establish current areas of good practice as well as identify some possible areas to work on over the next academic year.

More to follow so watch this space...

ART EXHIBITION

All students studying Art GCSE and Art A-Level have completed a personal creative journey where they have explored a range of skills, materials and processes. Through studying a range of artists students have developed their own personal styles in response to themes.

Every student had a final piece of artwork displayed in the exhibition; we hope you enjoyed sharing their achievements.

Well done and enjoy a well-deserved break!

ATHLETICS

We started the athletics season in great style at Ridlins on Wednesday 22nd May. The Year 9 and 10 teams performed really well, finishing in first place overall from the teams that were competing in the league that evening. A particular mention should be given to the Year 9 boys' team that won in their category by 57 points. This is a fantastic achievement. Well done to all who competed. Some outstanding achievements include:

Year 9 Girls A String

| | | |
|------------|-----------|----------------|
| 100m | 2nd place | Macy Keeping |
| 200m | 1st place | Zoe Okenwa |
| 300m | 1st place | Jessica Astill |

UNDERSTANDING BEHAVIOUR IN YOUR CHILD WITH ADDITIONAL NEEDS

WEDNESDAYS
18th, 25th September
2nd, 9th, 16th & 23rd October 2019
7.00 - 9.00pm

A free 6 week course for parents and carers of children aged 2-19 years with a recognised additional need. Diagnosis is not essential. We will help you to:

- Understand your child's behaviour.
- Find strategies that really work.
- Understand conflict : why it happens and how to handle it.
- Manage anger effectively.
- Motivate, encourage and support your child.
- Manage the different needs within your family.

'I have been on a few courses to help me with my son, this was by far the most helpful.'

CHESTNUT TREE FAMILY CENTRE
Radburn Primary School,
Radburn Way
LETCHEWORTH
SG6 2JZ

'I tried the techniques and was amazed at the outcome.'

Growth Mindset: a Guide for Parents - TALK

Summary

Do you believe that you are either clever or you're not? Do you think intelligence is a fixed thing?

A ground breaking theory on mindset is making huge waves in how children are being taught today. Most of our teachers are nurturing a 'growth mindset' in our children. According to pioneering psychologist Carol Dweck, 'In a growth mindset students understand that their talents and abilities can be developed through effort, good teaching and persistence. They don't necessarily think everyone is the same or anyone can be Einstein, but they believe everyone can get smarter if they work at it.' It is an exciting and progressive concept schools are using and through this talk by Dr Warren parents have a chance to reinforce the concept at home too.

Who is this talk for?

This talk is for parents, grandparents and carers of children of ALL ages.

What parents will gain from the talk?

Dr Frances Warren from Growing Learners, University of Portsmouth will talk about mindset research and theory from the US conceived by Carol Dweck. Dr Warren will address three broad questions during her talk:

- What is mindset?
- How do different mindsets develop and why are they important?
- How can parents help children to develop a growth mindset?

What you will gain from coming to the talk:

- An understanding of the theory and research about Mindsets.
- Knowledge to enable them to identify their own and their children's Mindsets.
- An understanding of the impact of Mindset on education and resilience.
- Tips on how to support their children to develop a Growth Mindset.

Booking is essential - click here to book

About our speaker

Dr Frances Warren is part of the Growing Learners team of education research psychologists based in the Psychology Department at the University of Portsmouth. Dr Warren has worked with the team since its inception and they have now provided mindset interventions for over 250 nursery schools, schools (primary and secondary) and colleges across Europe.

The Growing Learners team is passionate about supporting schools and parents to improve children's expectations and attainment using evidence based practice to support them to become resilient, confident and effective learners. Everything that they offer is underpinned by psychology and education theory and applied research showing what works.

Citizens Advice is an operating name of The National Association of Citizens Advice Bureaux. Registered charity number 279057.

How can Citizens Advice North Hertfordshire help me?

citizens advice

We're here to help. Whoever you are. Whatever the problem.

Citizens Advice North Hertfordshire

How we can help

Our service is free, confidential and open to everyone in the community. Staff are trained to advise on virtually any issue, including:

- welfare benefits
- money and credit problems
- employment
- consumer rights
- housing
- neighbourhood disputes
- education and healthcare
- human rights
- family and personal issues.

We arm you with all the facts and possible outcomes of different options. That way you can make the decision that's right for you. If needed, we can also offer practical support such as help with filling forms, writing letters or negotiating with third parties.

Ways to get advice

- online via northhertscab.org.uk
- advice line 03444 111 444
10am – 4pm Mon - Fri
- email us via our website
- face-to-face

What happens when you get to us

You'll be offered a short session with an assessor, who will identify the most appropriate way for us to help you. This could be giving you the information you need to solve your problem yourself, or it could be making an appointment to discuss your problem further – in person, by phone or by email. Sometimes we might direct you to a different organisation that is better placed to help.

Specialist services

- Welfare Benefits
- Financial Capability training
- British Sign Language adviser

Local Events/News

TEENSTAR SINGING AND DANCE AUDITIONS

TeenStar audition venues and dates can be found here:

<https://www.teenstarcompetition.co.uk/singing-and-dance-auditions>

If you are a Singer or Dancer under the age of 19, you can enter. Once your audition is booked you'll audition for a place in the TeenStar Regional Finals which will be held at some of the best venues in your region.

Want a chance to perform within The O2 in London?

TeenStar invite industry judges attend every stage of the singing and dance competition from the auditions to the National Grand Final held within the O2 Arena in London.

Singers can expect to see record label A&R from Sony Music, Warner Music Group and Universal Music and dancers can perform to major casting companies and theatrical agents, with judges getting more prestigious as the competition progresses.

A colorful poster for Hertfordshire County Youth Music Auditions. The background is a collage of various musical instruments and notes in vibrant colors. In the center, a large blue circle contains the text: 'HERTFORDSHIRE COUNTY YOUTH MUSIC', 'AUDITIONS', and '2019/20 SEASON'. Below the circle, it says 'Apply NOW:' followed by the website 'www.hertsmusicservice.org.uk/county-groups/'. Further down, it states 'Auditions will be held the first week of October for:' followed by a list of groups: 'COUNTY YOUTH ORCHESTRA', 'SCHOOLS' SYMPHONY ORCHESTRA', 'COUNTY WIND SINFONIA', and 'COUNTY YOUTH BRASS'. At the bottom, it says 'Auditions 11th September for:' followed by 'COUNTY YOUTH CHOIR'.
