	FURTHER EDUCATION PROGRAMMES	HIGHER EDUCATION PROGRAMMES
16-18 years old by 31st August 2018	<i>No programme fees, the government fully funds your study programme</i>	Usually higher education is only for students aged 18 or over once they have completed A-levels or level 3 qualifications (not including Access to HE)
19-23 years old by 31st August 2018	<i>It's possible that you won't need to pay any programme fees if one of the following circumstances applies:</i> <i>1. You're studying a level 1 qualification</i> <i>2. You're studying your first full level 2 or 3 qualification</i> <i>3. You're unemployed and receiving specific state benefits</i>	Programme fees vary from £4,625 to £6,175 depending on the programme you choose to follow. Full tuition fees are available from www.gov.uk/student-finance
19+	<i>If you're aged 19+ when you start your programme, you may be able to access an Advanced Learning Loan</i>	As above

TRAINEESHIPS

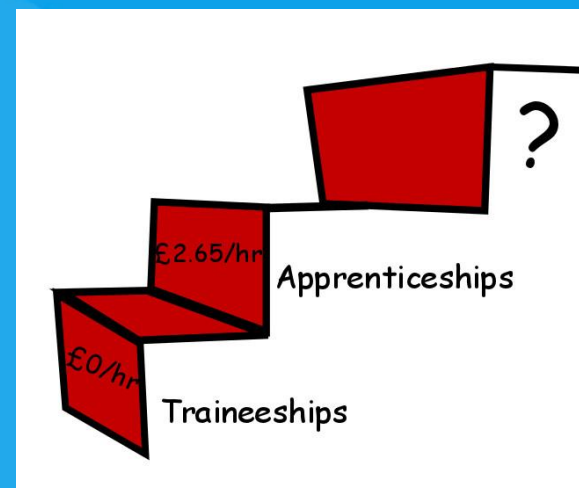

WHAT ARE TRAINEESHIPS?

Traineeships are really simple:

- A training programme delivered by us - focusing on the skills, attitudes and behaviours employers look for.
- Help with your English and maths, if you need it.
- A work experience placement of around 3-6 weeks in a business.
- An exit interview from your work placement.

WHO ARE THEY FOR?

Anybody aged 16-24 who would benefit from some help to get into work and on with their career.

APPRENTICESHIPS

WHAT IS AN APPRENTICESHIP?

- **An apprenticeship is a real job, with training. You will be employed and get paid.**
- **Your employer will then give you time to study, and you'll work with a tutor to gain the skills and knowledge you need to achieve a nationally recognised qualification.**
- **You'll even get paid for the time you are studying.**

WHAT CAN I DO AN APPRENTICESHIP IN?

- **Apprenticeships are available in a wide range of jobs and companies, not just the traditional sectors you probably think of.**
- **Hart Learning and Development offer apprenticeships in everything from digital marketing to business to healthcare.**
- **You can do an apprenticeship at different levels, from GCSE equivalent right through to degree level.**
- **Take a look at our vacancies page at www.hartld.co.uk to see what apprenticeships are available at the moment.**
- **We meet new employers every day who are looking for an apprentices. Make sure you regularly check the vacancy page or speak to one of the team about what you are interested in and they'll keep you posted if something comes up which you might be interested in.**

HIGHER EDUCATION

- We offer a wide range of higher education programmes at levels 4 through 6.
- Our Extended and Foundation Degrees are validated by the University of Hertfordshire.
- Students have full access to facilities and resources at both NHC and the University of Hertfordshire.
