Dear Parent / Carer

## Unifrog – Online Careers Platform

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next step after school, we will now be using Unifrog - an award winning online careers platform. All students in Years 10, 11, 12 and 13 now have access to this excellent website.

Unifrog brings into one place every university course, apprenticeship, and college course in the UK, as well as other opportunities such as School Leaver Programmes, MOOCs and every college at Oxford and Cambridge. This makes it easy for students to compare and choose the best university courses, apprenticeships or further education courses for them. Alongside this there is a 'Dutch Tool' which allows students to search courses in the Netherlands - in a way that has never been possible before, as well as a 'US Tool' where students can search all the colleges and courses available in the United States.

Additionally the platform helps students write their personal statement, applications and CVs by guiding them through the process and allowing teachers to give live feedback.

Students access the tool for the first time using a sign-up code which is unique to their Form group. They then log in using their email address and password - and they can do this from any computer, tablet or smartphone. We would encourage you to use the platform with your child so you can support them through the process of deciding their next step.

We have also set up a parent / carer login so that you can use Unifrog as if you were a student yourself, allowing you to truly support your child. The form code you need is: PrioryParents. To sign up, please use the following weblink - [www.unifrog.org/code](http://www.unifrog.org/code)
