1.1 Charging and Remissions

The Priory School will adopt in full the Charges and Remissions policy as laid down in the Financial regulations Handbook, Hertfordshire County Council, section 11.12.

The objectives of the charging provisions policy are:

- To maintain the right to free school education.
- To establish that activities offered wholly or mainly during normal teaching time should be available to all students regardless of their parents' or guardians' ability or willingness to help to meet the cost.
- To give the schools the discretion to charge for optional activities provided wholly or mainly out of school hours, while emphasising that there is no statutory requirement to charge for any form of education or related activity.
- To confirm the right of the school to invite voluntary contributions for the benefit of the school, or in support of any activity organised by the school, whether during or outside school hours including the letting and hiring of school premises and facilities.
- To utilise the facilities available at the school outside normal school hours for the benefit of the school (both financially and linking with external organisations) and the local community

1.2 Voluntary contributions

The Governing Board may ask parents for voluntary contributions towards the cost of:

- any activity which takes place during school hours, including non-curriculum activities
- school equipment
- school funds generally.

The contribution must be genuinely voluntary and the students of parents or guardians who are unable or unwilling to contribute may not be discriminated against. Where there are not enough voluntary contributions to make an activity possible, and there is no way to make up the shortfall, then it must be cancelled.

1.3 Residential trips

The Governing Board may charge parents for board and lodging costs for residential trips, except for parents who receive:

- Income Support
- Income-based Jobseeker's Allowance

- Working Families' Tax Credit
- Disabled Person's Tax Credit

These parents or carers must have board and lodging remitted to them if the trip takes place mainly in school hours and the trip is required in order to fulfill statutory duties relating to the National Curriculum.

Fees for residential trips outside of school hours may not be charged to such parents or guardians where the education provided during the trip forms part of the syllabus for a prescribed public examination or is a part of the National Curriculum or the syllabus for religious education.

1.4 Instrumental music lessons

The school does not provide music instrument lessons at GCSE as part of the national curriculum. For parents wishing to purchase instrumental music lessons, these are provided directly by the music service. All information regarding costs, contracts and the availability of remission of fees can be found at: <http://www.hertsmusicservice.org.uk/>

1.5 Public examinations

Generally, no charges may be made for entering students for a prescribed public examination. However, an examination fee may be charged where there is a request for a re-sit after the initial exam.

1.6 Transportation costs

Any transport provided within school hours by the school to carry students between a school and any other places where education is to be provided is free of charge. For example, 6th Form consortium education and Post 14 college provision. In the case of work experience, however, parents may be asked to meet the cost of travel.
