Dear Parent / Carer

## Post 16 Pathways Event – Thursday 21<sup>st</sup> October 2021

This year's annual Sixth Form Open Evening will be a virtual event. This is due to increased levels of Covid19 in the community. This event will be for all students interested in joining our Sixth Form in September 2022. Online applications will open after the Sixth Form Open Event.

You will be able to access a presentation from our Headteacher Mr Edwards and myself on the Hitchin Consortium website at your convenience – a link will be shared to this on the Sixth Form area of The Priory School website on Monday 18<sup>th</sup> October. The Consortium website will also contain a course overview and video for each of the courses offered here.

In addition to this we will also be holding a Post 16 Pathways Marketplace event for our external applicants on Thursday 21<sup>st</sup> October 2021 between 2.30pm and 3.30pm. This will allow students the opportunity to speak with current Year 13 students about each of the courses offered. Students should select 5 or 6 courses they are interested in and use this time to find out more about each course. There will also be the opportunity to take a tour of the school. If you would like your child to attend this event please complete the Google form below:

On Friday 22<sup>nd</sup> October you will be sent an Expression of Interest form to complete. The deadline for completion of the survey is Friday 12<sup>th</sup> November 2021. We use this first set of choices to begin building the Consortium timetable with the aim of meeting as many option choices as possible. In January external applicants will have an interview with a member of our Sixth Form team.

As a Sixth Form, we operate as part of a Consortium with Hitchin Boys' School (HBS) and Hitchin Girls' School (HGS) to provide a very extensive range of both traditional as well as vocational courses, all of which offer progression into Further Education and employment. We encourage you to visit the Hitchin Consortium website to review our prospectus and learn more about the courses offered.

If you have any queries about the courses available for Post 16 at The Priory School, please download our prospectus from the Sixth Form section of our website or add your question to your Google form response.

Yours faithfully
