The Priory School

Behaviour for Learning Policy

1. Rationale

- The Priory School is a learning community in which mutual respect, and excellent discipline and behaviour are nurtured in order to create a school environment conducive to maximising an individual's learning potential.
- It is the responsibility of all colleagues, parents and students of the school to maintain excellent discipline and behaviour at all times.

2. Aims

- To promote the values of Responsibility, Respect and Resilience through the behaviour of our students in and out of the classroom.
- To be a school that does not tolerate persecution or bullying of others on any grounds, including age, ability, culture, faith, sexual identity or ethnicity.
- To ensure that praise, rewards and encouragement are used effectively and appropriately to promote achievement at all levels.
- To ensure that students understand the consequences of disruption to learning and the procedures that will be consistently applied by staff.
- To enable students to develop self-discipline and self-regulation.
- To encourage members of the school to demonstrate respect and courtesy to one another and to visitors to the school and our community neighbours.
- To work within the requirements of the 2010 Equality Act.

3. Definition of the School Jurisdiction

- This policy applies on school premises at all times. It also applies on school visits and trips out of school, study leave, work experience and other events related to the school (**Section 90 of the Education and Inspection Act 2006 to discipline students for misbehaviour outside of the school premises**).
- This policy applies when students are travelling to and from school in uniform as they are considered to be representing the school.
- Sanctions given to students will be given by employed members of staff or persons authorised by the Headteacher.
- The school reserves the right to take interest in and impose sanctions for any misconduct by any student at any time, beyond the bounds of the school day, week and term where such misconduct prejudices the good order and welfare of the school and its students.
- The school can impose sanctions on students who have used the internet or any electronic device to harass another student or member of staff outside school.

4. Prohibited Items

The school reserves the right to carry out necessary searches of a student, locker, bag or other repository for possessions with or without consent in line with the school Searching, Screening and Confiscation Policy. In addition:

- any article that the member of staff reasonably suspects has been, or is likely to be, used:
 - to commit an offence, or
 - to cause personal injury to, or damage to the property of, any person (including the student)

will be searched for and confiscated.

Table 1: Banned Items

Knives or weapons	Controlled drugs and paraphernalia	Tobacco and cigarette papers	Pornographic images
Alcohol	Fireworks	Stolen items	Energy and fizzy drinks
Solvents and glues including nitrous oxide	E-cigarettes / Vaping equipment	Chewing gum	Mobile phones
Aerosols and gases	Matches and lighters	Legal highs	Spinners or similar gadgets
Medication unless by prior agreement	Items of clothing and jewellery that do not follow the school uniform		

5. Mobile Phones (Electronic Devices)

- Students must hand in their mobile phones before the start of the school day in line with the school Mobile Phone Statement.
- If a student is found with a phone in their possession during the school day, it will be confiscated and kept in the school safe until a parent comes to school to collect it. A C2 will be issued to the student, which will result in an after-school detention.
- All students are aware of and have signed the Acceptable Use Agreement and have been taught about online safety. Where a mobile phone or electronic device has been confiscated after a search, the school has the statutory authority to examine any data or files on the device where there are concerns that an offence has been committed. Parental or student consent to search through a mobile phone or electronic device is not required. Where pornographic images of children or extreme pornographic images are discovered, the school DSP will liaise with the police and relevant outside agencies.

6. The Police

- The Headteacher or Deputy Headteacher will decide whether the police should be involved in any given incident.
- The police have the right to enter the school and intervene in cases where they believe an individual may be carrying a weapon or illegal drugs.
- The school will contact the police in respect of:

A serious assault	Safeguarding the wellbeing of a student	Controlled drugs	Child pornography
Offensive weapons	Malicious damage to property	Hacking of school IT systems	Cyberbullying

- Parent(s)/carer(s) will be informed if a decision is taken to contact the police. Decisions to contact the police will be taken on a case-by-case basis. Other factors may include whether the police are already aware of an incident (for example if a parent has already informed them), whether there is an immediate safeguarding threat and/or whether the school has sufficient information to make the call worthwhile.
- The police will be called:
 - Once a prima facie has been established. School-led interviews and investigations will normally cease at this point and the police should be called. Accurate records of interviews and admissions should be kept, as a member of staff could be called as a witness.
 - Once criminal investigation is underway the school investigations and/or interviews will stop.

7. Roles, Responsibilities and Definitions

- The Headteacher will be responsible for the implementation and delegation of the day-to-day management of the Behaviour for Learning policy.
- The Deputy Headteacher with responsibility for Behaviour will be responsible for the day-to-day running of the Rewards and Consequence system, and provide half-termly reports on the Rewards and Consequence system for the Senior Leadership Team and termly reports to the Governing Board.
- The school will ensure that suspensions and permanent exclusions are recorded accurately and are promptly shared with the LEA through SIMS reporting.
- The Deputy Headteacher with responsibility for Behaviour will liaise with the Senior DSP regarding individual student behaviour and any potential safeguarding concerns. The Senior DSP will determine the need on a case-by-case basis for a multi-agency assessment.
- Staff, including teachers and support staff, will be responsible for ensuring that the policy and procedures are followed consistently.
- Form tutors will monitor students' behaviour, attendance and rewards effectively, and intervene where necessary to support student wellbeing.
- Parents and carers will take responsibility for the behaviour of their child, both inside and outside the school. They will be encouraged to work in partnership with the school in accordance with the Home School Agreement, the Code of Conduct and Post 16 Agreement (**Appendix C and D**).
- Students will be expected to take responsibility for their own behaviour and will be made fully aware of the school policy, procedures and expectations through the school pastoral programme – tutor times, notice boards and daily bulletins will all carry this information.
- Students have the responsibility to ensure that incidents of disruption, violence and bullying are reported.

8. Guidance

Staff:

- At the start of each academic year all staff will read the Behaviour for Learning policy along with Searching, Screening and Confiscation policy and the Restrictive Physical Intervention policy to ensure they are conversant with the expectations and the importance of a whole-school consistent approach.
- The use of physical force to sanction and/or punish a student is illegal. The Priory School Restrictive Physical Intervention Policy explains what members of staff are able to do when physical intervention may be required.
- The school will offer professional development opportunities to staff in relation to Behaviour for Learning through a range of strategies; performance appraisal process and identified SIP objectives, ECT and new staff induction, targeted updates on student case studies and training for non-teaching staff. These professional development opportunities will complement whole-school training with particular focus on students who face additional barriers to learning.
- Sanctions will be fair, appropriate and clearly explained. They will also be documented and retained in the consequence database (SIMS).
- In applying the provisions of this policy staff should take the needs and circumstances of individual students into account. This will include the student’s age, special educational needs and protected characteristics as outlined in the 2010 Equality Act.
- Whilst parental consent is not required for a member of staff to set a detention, parents will be informed, as appropriate, when students receive an after-school detention through the InTouch system, which can be accessed through email and mobile devices.

Parents and Carers:

- Parent(s)/carer(s) are asked to support the Behaviour for Learning policy of the school and the disciplinary authority of school staff.
- Parent(s)/carer(s) have joint responsibility with students for fostering responsible behaviour inside and outside school.
- The school Behaviour for Learning policy can be found on the school website along with other relevant policies linked to the safety and wellbeing of students. At the start of each academic year, parent(s)/carer(s) will be written to directing them to re-read these documents.
- The Home School Agreement is signed in Year 7 or on entry to the school as an in-year admission.
- Parents of in-year admissions will have meetings with relevant Pastoral team members who will explain school expectations regarding Behaviour as part of the transition process.
- The expectations of the Behaviour for Learning policy are actively promoted during the school year to students through assemblies, tutor learning and lessons.
- Parent(s)/carer(s) must send their child to school every day on time, equipped and ready to learn.
- The form tutors are the first point of contact for parents and they are the foundation of the Pastoral system.

9. Rewards

- At The Priory School we believe strongly in recognising and celebrating student achievement. There are many ways that the school strives to celebrate the work that students do both in and out of school.

Verbal praise	Recognition in assembly	Positive written feedback on school work	Written communication home
Telephone communication home	Recognition in the school newsletter / social media	Roll of honour award	Hall of Fame nomination

Individual subject recognition	Attendance prizes	Nomination for the Awards celebration evening	Headteacher's commendation
--------------------------------	-------------------	---	----------------------------

- The main mechanism for rewarding students is the EPraise system, which applies to all students.
- Student achievement is recognised through a hierarchy of reward points, which can be seen in **Appendix B**.
- As a student accumulates reward points they are able to make a purchase from the reward shop, which can be found on the EPraise website; this can be accessed through the main school website.
- The amount of reward points a student has will be reported to parents at every progress check.
- It is the responsibility of the students to log their reward points using the online system, details of which are provided in the student planner. Students will receive their own unique log-in details.
- A key part of the school reward system is the Headteacher's commendation. A student can be nominated by staff, parents and fellow students for a Headteacher's commendation. The Headteacher will decide if the nomination meets the required criteria.
- Students and parent(s)/carer(s) will be notified by letter when a Headteacher's commendation has been awarded.
- There are five Headteacher commendation badges that students can achieve based on the number of successful nominations a student gains:
 - First nomination – Red badge
 - Third nomination – Bronze badge
 - Sixth nomination – Silver badge
 - Ninth nomination – Gold badge
 - Twelfth nomination – Platinum badge

Analysis of the data

- Half-termly analysis of rewards data will be carried out and reported to SLT so as to target specific support for students and staff. Key findings and actions will be reported to the Governing Board termly.

10. The Consequence System

- The principle of the consequence system is that students are given a fair set of rules and are given the chance to behave positively.
- Staff will aim to deploy fair and consistent use of the behaviour chart shown in Appendix A and apply reasonable adjustments where judged appropriate. In most circumstances, a verbal warning will be given for lower-level behaviour incidents before a C1 is issued. However, staff maintain the right to use their professional judgement and award a direct C1 without a warning should the situation merit this.
- The table of consequences, examples of behaviour that might trigger a consequence, and the sanction that applies are all listed in the displays in all classrooms, in the essential forms pack that goes to new parents and on **page 17 of this policy**. Staff may use their professional judgement when sanctioning an act that does not appear on this table.
- Consequences are recorded on SIMS which are logged directly to the individual student file.
- The number of consequences a student has will be reported to parent(s)/carer(s) at every progress check. Any consequence that involves an after-school detention is notified to parent(s)/carer(s) with at least 24 hours' notice – notice will be given via InTouch.
- All whole-school after-school detentions are held in the main hall and are supervised by members of staff. Department detentions happen in department areas.
- The school will make alternative arrangements as a reasonable adjustment for identified students to the place and time a detention is set or alternative sanctions if required. These arrangements will be based on discussions with the student's parent(s)/carer(s) and not the students.
- Where there is a clear safeguarding concern regarding a student attending a detention, alternative sanctions will be used.

- SLT detentions are held for 90 minutes on a Thursday and supervised by a member of the Senior Leadership Team.
- Students failing to appear at SLT detentions without reasonable justification will be placed in the Exclusion Unit (EU) the following day.
- Students who misuse their Chromebook or ICT associated with it, including emailing home to parents during the school day, may be sanctioned.
- The school will keep a log of students who miss detentions and act as follows:
 - Students who accrue three missed detentions will be considered for alternative sanctions, including time in the EU.

Analysis of the data

- Half-termly analysis of consequence data will be carried out and reported to SLT so as to target specific support for students and staff. Key findings and actions will be reported to the Governing Board termly.

11. Behaviour Logs

- A system of behaviour logs operates within school in order to effectively monitor and track the behaviour of students who are causing concern.
- Students are expected to report to the designated members of staff at the specified time each school day; failure to do so will result in a sanction in line with the consequence system.
- Students will be placed on a behaviour log for two school weeks and a review will take place at the end of the time period – the student may then come off the log entirely, or repeat this monitoring strategy. The outcome of the review will be communicated with the parent(s)/carer(s).
- A maximum of three consecutive behaviour logs will run with each student. Failure with two logs will result in a parental meeting with key staff. Failure with three consecutive logs will result in a PSP being established. When a student is placed onto a behaviour log, the parent(s)/carer(s) will be informed. Parent(s)/carer(s) are expected to sign the behaviour log at the end of every week. Heads of Year and Form Tutors will assess the appropriate students for the behaviour logs each fortnight in their team meeting.
- Identified students will be given a daily report and expected to report to their assigned member of staff each morning.
- Other students who need encouragement or support may be placed onto a blue positive report card where staff are encouraged to write positive feedback about their effort, behaviour and performance in their lesson.

12. Pastoral Support Plans (PSPs)

- A PSP is a school-based intervention to help an individual manage their behaviour and get them back on track. It is particularly useful for those whose behaviour is deteriorating rapidly, are in need of a risk-management plan or a temporary reduced timetable or are in danger of permanent exclusion.
- Where necessary, a PSP will be used for students presenting concerns as an In-year admission. The PSP will be used as a supportive mechanism to support the transition process.
- The Head of Key Stage will oversee the PSP process.
- Where a student is on the school SEN register a member of the Learning Support Department will be directly involved in the PSP process and attend all meetings with parent(s)/carer(s).
- Where a student has a social worker or they are a looked-after child, relevant professionals will also be asked to attend the PSP meeting.
- The school will look to identify any mitigating factors to help understand why a student's behaviour has deteriorated. For example:

Poor parental engagement	Young carer	Alcohol and/or drug abuse	Identity issues (gender/sexuality)
Domestic / sexual abuse	Sibling rivalry	Relocation (school)	Self-harm
Parent separation	Bereavement	Radicalism & extremism	Eating disorders
Mental health	SEND	Criminality	Physical disability
Financial hardship	Loss of home	Child protection	

- A student's needs analysis will be conducted using a range of strategies and available information prior to the setting of targets. For example:

Fruits & Roots	Anxiety mapping	HBQ (Behaviour)	SDQ	RCAD (anxiety & depression)	Academic baseline data	Academic performance	CAF/TAF	Subject review feedback
----------------	-----------------	-----------------	-----	-----------------------------	------------------------	----------------------	---------	-------------------------

- PSPs identify precise, realistic and measureable targets for students to work towards based on the student's needs analysis.
- Quality assurance measures will be undertaken between each meeting date with the parent(s)/carer(s) to ensure that PSP targets are being implemented.

Subject review meeting with teachers	Tutor learning work	Lesson learning walk
Work scrutiny	Analysis of behaviour	Analysis of attendance & punctuality

- The timeframe of the PSP will be decided in the first parental meeting, e.g. 4, 6, 8, 12 or 16 weeks.
- In the first meeting both parent(s)/carer(s) and student will be introduced to the PSP with an explanation of what it is and how it will work.
- During the course of the PSP the following will always apply:
 - The student will always be encouraged to set their own targets.
 - Rewards and sanctions will be clearly identified.
 - The end date of the PSP will be agreed at the start of the process.
 - The PSP reviews will happen at regular intervals, e.g. every four weeks, where parent(s)/carer(s) and student will be present.
 - Parent(s)/carer(s) will be fully involved with the process and attend all meetings.
- For the duration of the PSP a range of internal and external support mechanisms will be used to support both the student and family (this list is not exhaustive).

Peer mentoring	EMAG support	121 staff mentoring	EHCP
Protective behaviour workshop (in-house)	Social skills workshop (in-house)	Art / drama / music therapy	Speech and language therapist
In-school counselling	Bereavement counselling	Anger management and outreach support – NHESC	Attendance Officer (A10)

Step 2	CAMHS referral	Drugs and alcohol counselling	PCSO
Social services	Child protection referral	Specialist LA intervention (SEND)	Educational Psychologist
Herts Young Homeless (HYH)	Hitchin Partnership (FSW)	Targeted Youth Service	Connexions
Alternative start/end times of the day	Break and/or lunchtime supervision	Reduced timetable (Time-limited)	Herts Youth Futures (mentoring for NEETS)
Day release for work placement (KS4)	Respite off-site (ESC) (Dual registered)	Respite off-site (commercial) (Day release)	Life course (Fire service)
ESMA			

- At the end of the agreed timeframe, if the student has met their targets the PSP will be closed and a formal letter will be sent to the parent(s)/carer(s).
- If at the end of the agreed timeframe the student has not been able to meet their targets, the student will enter into a four-week probationary period where the Deputy Headteacher in charge of Behaviour will become involved. At this stage, the targets will be reviewed weekly; parent(s)/carer(s) and the student will be expected to attend.
- If at the end of the four-week probationary period the student has still not been able to meet their targets, they will be required to attend a 'Behaviour Review Panel' with their parent(s)/carer(s) and advocates if requested, the Headteacher, the Deputy Headteacher with responsibility for Behaviour, Head of Key Stage and a member of the Governing Board. A member of the Learning Support department will also attend if the students has identified additional needs.
- Where a student has a social worker or they are a looked-after child, relevant professionals will also be asked to attend the Behaviour Review Panel.
- The member of the Governing Board attending the Behaviour Review Panel will not be able to sit on a Governors' Disciplinary Committee (GDC) hearing called to review that student.
- At the Behaviour Review Panel a formal discussion relating to the behavioural issues will be addressed and all parties will have an opportunity to speak. Agreed actions will be documented and will be reviewed as necessary by the Head of Key Stage and the Deputy Headteacher with responsibility for Behaviour. The agreed actions will be specific and tailored to the needs of the student and parent(s)/carer(s). All parties will receive a copy of the meeting notes.
- At this stage, the school with the agreement of the parent(s)/carer(s) may determine that a managed move to another educational institution would be beneficial for the student. In conjunction with the Local Authority Integration team, the school would look to place the student under the agreed Hertfordshire County Fair Access Protocol.

13. Department On Call and Senior Support

- On Call is used when a student has not responded to the behaviour management techniques outlined in the consequence system.
- The member of staff will attempt to reintegrate the student back into the lesson if deemed appropriate.
- The student will be removed from the lesson by a member of staff from their department should reintegration fail.
- The student will receive a D2 (one-hour after-school department detention) as a result of the On Call - it is the responsibility of the teacher who called On Call to record this in SIMS. The student should be returned

to the lesson/teacher at the end of the period and, if appropriate, a conversation between teacher and student should take place to help avoid a repeat of the incident the following lesson.

- On Call is intended to support both staff and students as part of the schools behaviour management procedures.
- The Head of Department or Head of Key Stage / Year or a member of the Pastoral team will follow up with the student to discuss their actions resulting in the On Call.
- Should the student not respond appropriately to the On Call, they may be removed by a Middle or Senior Leader using the Senior Support system.
- Students displaying particularly challenging behaviour may be removed from lessons using Senior Support without using On Call.
- Senior Support staff are based in the Exclusion Unit (EU) and will remove students if the Department On Call has failed. The student will then work in the EU for the remainder of the lesson and will return to lessons the following period if they are deemed to be in the right frame of mind to re-engage in classroom learning. The student will receive a C2 for this, which the parents will be notified of through an email.
- If a student has a social worker they will be notified.
- If a student is looked-after then their PEP will be reviewed and amended and the Virtual School notified

Analysis of the data

- Half-termly analysis of On Call / Senior Support data will be carried out and reported to SLT so as to target specific support for students and staff. Key findings and actions will be reported to the Governing Board termly.

14. Investigating Student Incidents

- When an incident is reported it is investigated by members of the Pastoral team. Investigations can be complex, involving a number of students with varying degrees of clarity on what had happened.
- The Pastoral team will review any CCTV footage as well as interview students.
- The school does not need the permission of the students' parents to interview them.
- Students will be interviewed separately to avoid collusion and there will be two members of staff present in the room.
- Students will write their statements or a member of staff will do based on what the student has said.
- The student will then sign their statement and the members of staff will countersign.
- Not all behaviour incidents will be investigated, including the taking of statements, and whether an investigation is carried out or not is down to the professional judgement of the member of staff dealing with it.

15. Internal Exclusion – The Exclusion Unit (EU)

- More severe or repetitive behaviours may result in a student being internally excluded. See **Appendix A** for details of these offences.
- Students who are internally excluded have their learning day altered so they are removed from circulation.
- In the vast majority of cases, a student who is internally excluded will be placed in the EU. The school will make alternative arrangements as a reasonable adjustment for identified students to the place and time of the internal exclusion or if required an alternative sanction. These arrangements will be based on discussions with the student's parent(s)/ carer(s).
- Whilst in the EU, students are provided with age/ability-appropriate work by the resident member of staff. Staff are also able to bring work to the students to complete if they wish.
- Throughout the day, there are opportunities for the student to reflect on their behaviour and hopefully amend this in anticipation of their reintegration. This may come in the form of informal discussion or more formal mentoring/counselling.

- Student work completion is monitored throughout the day. If it is deemed insufficient work has been done, the student may be returned to the EU the following day.
- At the end of the period of internal exclusion, the student and parents will meet with the Head of Key Stage/ Head of Year or Assistant Headteacher to discuss the student's behaviour and work completion.
- The EU manager will carry out follow-up visits to key students after their reintegration to help support them ensure their behaviour remains on track.
- Those students who are deemed to be 'repeat offenders' will be placed on a PSP to ensure that the school and parents can pro-actively work on a positive change in that student's Behaviour for Learning.
- Should a student be placed in internal exclusion three times or more within a term they will be considered for an external suspension
- An internal exclusion may also apply where a student has accrued a significant number of detentions. In these instances, students' detentions will be cleared and replaced with the equivalent time spent in the EU.
- Students who severely disrupt the learning of those in the EU will be external excluded.
- If a student has a social worker, including if they have a Child in Need Plan, a Child Protection Plan or are looked-after their social worker will be notified.
- If a student is looked-after then their PEP will be reviewed and amended and the Virtual School notified.

Analysis of the data

- Half-termly analysis of internal exclusions will be carried out and reported to SLT so as to target specific support for students and staff. Key findings and actions will be reported to the Governing Board termly.

16. External suspension and exclusion

Suspension (C4)

The school follows DfE and Hertfordshire County Council (HCC) guidelines on suspension and exclusions guidance. The final decision to externally exclude can only be made by the Headteacher. When deciding to suspend a student, the Headteacher will ensure that there has been a thorough investigation with all available evidence reviewed, which should include a statement from the student to be suspended and any reasonable adjustments taken into consideration. The standard of proof currently applied in school is the balance of probabilities.

- The length of a suspension will be decided by the Headteacher with reference to the severity of the incident and whether or not it is a first offence. The incidents or offences that could lead to a suspension are detailed in **Appendix A**.
- Whilst an investigation is being undertaken, a student may be placed in the EU. On returning from a suspension the student will be placed in the EU for a minimum of one day as part of supporting their transition back into the school community.
- The student's views will be taken into account through the use of statement forms. Students can retract or add to statements should they wish to but all statements will be kept.
- When a student is sent home because of their actions this is formally known as a suspension. If a student is sent home after 12.30pm the afternoon will count as part of their suspension period and will be recorded as such.
- If a student is suspended from school the parent(s)/carer(s) are responsible for ensuring that the child is not in a public place during school hours without reasonable justification. Parent(s)/carer(s) may be given a fixed penalty notice or prosecuted if they fail to do so.
- When a student is suspended from school:
 - The Head of Key Stage or Senior Pastoral Manager will notify by telephone the parent(s)/carer(s) of the decision to suspend their child and the reasons for this. This telephone call must be done before the end of the school day.

- If the student has a social worker; the Head of Key Stage or Senior Pastoral Manager will notify the social worker a social worker regarding the suspension.
- If a student is looked-after then the Assistant Headteacher with responsibility for Looked-after Children will contact the Virtual School.
- The Headteacher's PA will send a letter by post and email to parent(s)/carer(s) detailing the reasons for the suspension along with details of the reintegration meeting; time, venue and who will be attending. The email will be copied to all relevant members of the Pastoral team.
- The Headteacher's PA will notify the LA of suspensions through SIMS.
- Students will be provided work to complete at home for the duration that they are suspended.

Re-integration meeting

- If a student who is on the SEND register has been suspended then a member of the Learning Support department will attend the re-integration meeting.
- If a student has a social worker or is a child looked-after the relevant outside agencies will be invited to the re-integration meeting.
- At the reintegration meeting strategies will be discussed to support the behaviour modification of the student.

Governing Board requests to review suspensions

- A student can only be suspended up to 45 days in any one school year.
 - The school will notify the Governing Board of suspension leading to more than five days in any one term and suspensions resulting in a public examination or national curriculum test being missed. The Governing Board have a duty to consider the interests and circumstances of the excluded student when they are involved.
- Should parent(s)/carer(s) disagree with the justification for the suspension, they can contact the Governing Board:
 - Five days or fewer in one term: the Governing Board must consider the parental representations, but it cannot direct reinstatement and is not required to arrange a meeting with parents.
 - Five days but less than 16 in one term: the Governing Board must consider the parental representation; convene a Governors Disciplinary Committee (GDC) hearing within 50 school days after notification if requested; can uphold or direct reinstatement; and should place its findings on the student's records. In the absence of any representation from parents, the Governing Board is not required to meet and cannot direct the reinstatement of students.
 - Suspension of more than 15 days in a term – including the risk on missing a public examination: The Governing Board must consider the parental representation; convene a Governors' Disciplinary Committee (GDC) hearing within 15 school days after notification; can uphold or direct reinstatement; and should place its findings on the student's records.

Permanent exclusion (C5)

- The decision on whether to permanently exclude a student is for the Headteacher to take.
- To allow for a detailed investigation and a period of reflection a student may in the first instance be placed in internal exclusion (EU) whilst evidence is collected.
- The decision to permanently exclude a student should be lawful, reasonable and fair, and take into consideration mitigating circumstances and the 2010 Equality Act.
- When establishing the facts in relation to an exclusion decision the Headteacher must apply the civil standard of proof; i.e. 'on the balance of probabilities' it is more likely than not that a fact is true, rather than the criminal standard of 'beyond reasonable doubt.' This means that the Headteacher should accept that something happened if it is more likely that it happened than that it did not happen.

- A decision to exclude a student permanently will be based on:
 - A serious breach, or persistent breaches, of the school's Behaviour for Learning policy; and where allowing the student to remain in the school would seriously harm the education or welfare of the student or other in the school.
- At The Priory School the following incidents or offences will normally lead to a permanent exclusion. This list is intended to indicate the degree of severity of offences, but it not intended to be exhaustive:
 - Actual or threatened violence against a member of staff
 - Malicious allegations against a member of the school staff
 - Serious act of violence/assault against another student
 - Sexual assault or abuse of a student or member of staff
 - Holding and/or the distribution of child pornography
 - Hacking of the school IT system leading to serious disruption to learning
 - Possession, carrying or intent to supply an illegal drug or legal high
 - Carrying an offensive weapon
 - Multiple fixed-term suspensions for persistent disruptive behaviour
- When a student is permanently excluded from the school:
 - The Deputy Headteacher for Behaviour will telephone the parent(s)/carer(s) of the decision to permanently exclude their child and explain the reasons why.
 - The Deputy Headteacher will invite the parent(s)/carer(s) to a meeting to allow them to raise any concerns and explain the permanent exclusion process.
 - If the student has a social worker, the Deputy Headteacher will notify the social worker regarding the permanent exclusion.
 - If a student is looked-after then the Assistant Headteacher with responsibility for looked-after children will contact the Virtual School.
 - The Deputy Headteacher will advise the parent(s)/carer(s) that in the first week of the permanent exclusion the Local Authority will arrange to assess their child's needs and how to meet them, arrange a meeting with them to discuss options, and ensure that from the sixth school day suitable full-time education is provided.
 - The Deputy Headteacher will advise the parent(s)/carer(s) that it is their responsibility to ensure their child is not present in public areas without reasonable justification during the first five days of the permanent exclusion.
 - The Headteacher's PA will send a letter by post and email to parent(s)/carer(s) detailing the reasons for the permanent exclusion. A follow-up telephone call will be made to confirm that the letter and email have been received.
 - The Headteacher will notify the Clerk to the Governors and the LEA integration team of the permanent exclusion.
 - A Governors' Disciplinary Committee will be established within 15 working days of the permanent exclusion letter being sent out.
 - The Clerk to the Governors will co-ordinate and arrange the Governors' Disciplinary Committee meeting in line with the recommended DfE guidance.
 - Seven days prior to the Governors Disciplinary Committee meeting the school will send out the relevant paperwork to the parent(s)/carer(s). Where practicable and safe the documents will be hand delivered to the parent(s)/carer(s). If this is not the case, the Headteacher's PA will post the documents and a telephone call and email sent to confirm that the documents have been sent. A follow-up call and email will be sent three days after the documents have been posted to confirm that they have arrived.
 - The Governors Disciplinary Committee, Local Authority and if relevant external agency representative (social workers, Virtual School etc.) will all receive the relevant paperwork seven days in advance of the GDC meeting.

Withdrawing an Suspension

- In the event that a suspension is withdrawn, the school will immediately make parents and relevant others (e.g. social workers) aware straight away.
