OSHO – Out Of School Hours Opportunities for Summer 2023

To join a club, simply turn up to the right location at the times listed on the sheet.

To maximise time at lunchtime clubs, you may present a 'lunch pass' to the duty staff to skip the queue. These passes are available from the staff running the clubs and they will give you a signed copy when you first attend, to use on future days. These passes can only be used on the day the club runs.

If you have an idea for a club you would like to see running and/or are happy to help run a club, please tell your tutor or Head of Year.

TPS Clubs – Jump The Queue Pass
(you may use this to enter the café at any time during lunch)
