

Supporting your child through their
GCSE Art and Design Coursework

In previous year Art and Design GCSE has had 60% coursework portfolio and 40% Exam

Due to adjustments made relating to COVID the exam is not taking place this year.

The coursework that they have been working on since the start of the course is now worth 100% of the marks.

The deadline for their work to be handed in is Monday 2nd May.

**The work will be assessed and the marks submitted for moderation
Before Easter there will be a full review of all work with individual targets set so students will be able to improve their attainment in the 4 assessment objectives (below).**

A majority of students have worked efficiently and are on or above target however we will always provide the opportunity for them to achieve more by personal tutorials in lessons explaining where improvements can be made.

Students should work on these tasks over Easter if they wish to improve their attainment in art.

During this time Mr Evans will be available via his school email to answer any queries or give advice.

GCSE Art and Design Assessment Objectives

AO1 Develop ideas through investigations, demonstrating critical understanding of sources.

AO2 Refine work by exploring ideas, selecting and experimenting with appropriate media, materials, techniques and processes.

AO3 Record ideas, observations and insights relevant to intentions as work progresses.

AO4 Present a personal and meaningful response that realises intentions and demonstrates understanding of visual language.
