

Supporting your child through their Media GCSE

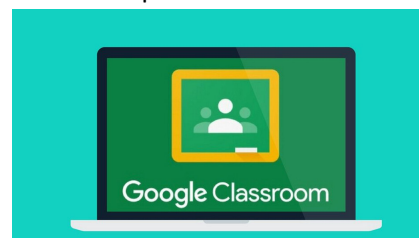

revision tips

Supporting with Revision

Revision is vital for all students but it can lead to a great deal of stress and anxiety . We've included some tips below for parents:

- Encourage your child to start revision early
- Encourage your child to be organised and use a revision timetable and also space out the different topics they study.
- Encourage your child to use a revision guide
- Encourage your child to attend revision sessions and complete their homework

REVISION

Google classroom

- The Media department has put together a comprehensive range of resources on google classroom.
- These fit our specification, and come as videos, revision guides, books, quizzes example questions and more.
- Encourage your child to use them.
