PARENT INFORMATION 2025

The Priory School Blended Learning

We are thrilled to introduce you to our innovative approach to education through our Blended Learning program. In today's ever-evolving digital landscape, we understand the importance of equipping our students with the tools and skills they need to thrive in an increasingly interconnected world. That's why we are committed to integrating technology seamlessly into our curriculum to enhance learning experiences and prepare our students for the future.

At the heart of our Blended Learning initiative lies the utilization of Chromebooks as a powerful educational tool. Chromebooks offer unparalleled flexibility, accessibility, and collaborative capabilities, making them the ideal companion for our students' educational journey. With their lightning-fast performance and intuitive interface, Chromebooks empower students to engage with content in dynamic ways, fostering creativity, critical thinking, and problem-solving skills.

What do you need to do now?

In order to prepare for September, we ask that you:

1. Read through the **Chromebook Payment Options** overleaf.
2. Read the terms and conditions of the **Chromebook Contract** on our website.

You will be sent an email with a form to complete to select your chosen payment option. If you have not received this by the end of the school year, please contact us to let us know. Please note that only Chromebooks purchased through the school are permitted; please refer to the FAQ below for further information.

CHROMEBOOK PAYMENT OPTIONS 2025

The Priory School has the opportunity for students to purchase a Chromebook (Model 3120) for educational purposes at a very favourable price. There are three options for you to choose from:

- ➔ Option A - Pay £72 upfront and sign up to 23 monthly payments of £14.
- ➔ Option B - Pay £394 up front.
- ➔ Option C - My child is currently receiving Free School Meals. Reduced payments of £10.50 for 23 months.

This price is inclusive of a protective Chromebook case, and 2 years of Accidental Damage Cover as outlined in the **Chromebook Contract** on the school website.

Please note that all students are provided with a **protective Chromebook case** which they are expected to use at all times to ensure the longevity of the device.

FURTHER INFORMATION

You will find a whole host of information about our Blended Learning programme on the **school website** including the answers to some **Chromebook FAQs,** which you can access via the link or by scanning the QR code below. You will also find some **video tutorials** on the school website to help support your child with Google Workspace.
